

# Get pre-season parts pricing with a post-season inspection & repairs!

*Schedule a Kinze Planter inspection with us to be completed during the month of June. We'll honor the pre-season pricing that we've had the last three years on the parts listed below, when installed by one of our planter techs. (inspection cost of \$150 waived if parts & labor for repairs completed exceed \$500).*

Part #	Description	Sale Price	Part #	Description	Sale Price
